FRANCE BORDEAUX CLASSIFIED WINES

BORDEAUX

CHATEAU LÉOVILLE BARTON 2ÈME CRU CLASSÉ SAINT-JULIEN 2008

The 2008 is loaded with massive, chewy tannins that coat the mouth while the underlying essence of dark, brooding blackcurrant fruit is perfectly complemented by notes of coffee and chocolate. It will take many years for the complexity and depth of this wine to shine through but the long, fulfilling finish is an indication of just how good it will become. This will be a force to be reckoned with when fully mature. Very limited supply 93 Points.

CHATEAU RAUZAN-SÉGLA 2ÈME CRU CLASSÉ MARGAUX 2009

This 43 hectare château has made major strides since its purchase by Chanel in 1994. It is fair to say that it now punches fully to its 1885 classification and is one of the great Super-Seconds. Only half of the harvest is used in the first wine of this illustrious property. The first vintage produced by new winemaker Nicolas Audebert is a resounding success The 2009 is considered to be one of their best vintages 94 Points.

CHATEAU LA FLEUR-PERTUS 2015

The aromas to this are stunning with lavender, rose petals, walnut skin, strawberries and raspberries. Captivating. Full body, layers of polished tannins and perfectly ripe fruit. Dense and very long. Breathtaking classicism. Try in 2021 and onwards. 99 Parker Points.

CHATEAU TROPLONG MONDOT 1ER GRAND CRU CLASSÉ SAINT-ÉMILION 2009

It boasts an inky/purple color along with a gorgeous bouquet of mocha, chocolate, blackberry and cassis fruit, an unctuous texture, a full-bodied, viscous mouthfeel and a skyscraper-like, multilayered finish. This spectacular wine is nearly overwhelming in its richness, thickness and intensity. Once all its baby fat falls away, the terroir characteristics and additional nuances will emerge. This blockbuster, fabulous Troplong Mondot will benefit from 10-15 years of cellaring and keep for three decades or more. It is not shy either, bouncing over the palate with 15.5% natural alcohol.

The 2009 Troplong Mondot will provide plenty of competition for the 2010, 2005 and 2000. It comes closest in style to the prodigious 1990 that proprietress Christine Valette produced 22 years ago. A phenomenal effort, it unquestionably justifies its relatively new Premier Grand Cru St.-Emilion status. Readers should keep in mind that the 1990, which probably has lower acidity and not the level of concentration found in the 2009, is drinking incredibly well at age 22 and reveals no signs of falling apart. 99 Parker Points.

CHATEAU LYNCH-BAGES 5ÈME CRU CLASSÉ PAUILLAC 2005

Open aromatics, tobacco, cigar, full of picture-perfect Pauillac mint leaf, cassis, bilberry, plum and smoked cedar oak. A little austere but with real clarity of fruit that builds through the palate alongside muscular tannins that promise a long life ahead. You have needed to be patient with most Pauillac 2005s, and this will go for another 30 years, but it is starting to get to the point when the Cabernet Sauvignon becomes thirst-quenching and finessed rather than forbidding. A brilliant wine. 80% new oak. Drink 2022 - 2044 92 Parker Points

CHATEAU LATOUR LES FORTS DE LATOUR PAUILLAC 2005

Les Forts de Latour is the second wine of First Growth Château Latour which made its debut in 1966 and is produced from the young vines of the Grand Enclos. The 2005 is another excellent wine now at the peak of its powers. Perhaps slightly more forward and open-knit than its grand vin big brother, this is nonetheless a lovely example of Pauillac from a superb vintage. 93 Parker Points.

MEETING YOUR NEEDS

Our goal is to create wines that are relevant in today's market so that you can add them to your range with confidence. We know wine lovers seek authenticity, quality, value and deliciousness, without damaging the environment. This is exactly what we do, through our core values of people, place and planet.

PLACE

We have access to over 120 hectares of vineyards, half of which are company-owned and half are leased or long-term, contract growers.

The majority of our wines are blended from grapes grown across Marlborough's three key sub-regions: Wairau Valley, Southern Valleys and Awatere Valley. This means we have flexibility to choose the best fruit and to maintain a consistent style for our labels. Growing grapes in a number of locations also means we benefit from grapes grown in different soil types and microclimates, adding further complexity to the resulting wines.

PEOPLE

Our small team is driven by a hands-on approach, 'can do' attitude and inquisitive minds. We honour tradition, but we do things our way and have done for over 30 years. We're a relaxed bunch who do jeans not suits, mates not colleagues and morning tea over meetings, but we take making wine seriously. So much so that we do the lot, from growing the grapes to making and bottling our wines on site.

Our autonomy enables us to create expressive, award-winning wines that are an authentic representation of the grape variety and the land from which they are grown. All our wines are certified 100% sustainable and we are a certified carbon zero producer.

NEW ZEALAND MARLBOROUGH

PLANET

Sustainability for us is understanding, recognising and addressing any impact our business might have on the environment. That's not just right here where we grow grapes and make wine, but in every aspect of our business activities, anywhere in the world. We are members of Sustainable Winegrowing New Zealand and we have full ISO 14001 certification, including the latest revision and in February 2021 became a Toitu certified carbon zero producer for achieving ISO14064. Our many sustainability initiatives include solar power, capturing and recycling rainwater from the winery roof, creating native wetland areas, updating machinery, reduction of waste to landfill and more. We use NZ-sourced bottles with up to 60% recycled content, our labels and cartons are made from timber from FSC certified forestry and our pallet wrap is biodegradable.

On the palate it is perfectly balanced with clean acidity and juicy blackberry fruit. The Rosé lends itself to rich duck confit and is a must with truffle and mushroom risotto.

DESIDERIUS PONGRACZ, CAP CLASSIQUE 2013 **V VE**

The Chardonnay (70%) and Pinot noir (30%) grapes were harvested between 18-20° Balling in January 2013 producing a yield of 9-10 tons/ha. After the grapes were whole bunch pressed, the juice was left to settle overnight at 12°C. The clear juice was racked the next morning and inoculated with Prisse de Mousse yeast. Once the base wine was cold fermented at 13 - 16 °C and underwent malolactic fermentation, it was racked to clean stainless-steel tanks and matured on the fine lees for four months. The wine was then bottled for slow secondary fermentation at 15 °C, essential for a quality Méthode Cap Classique. The wine was matured for a minimum of 69 months on the lees before the sediment was removed by the traditional methods of "remuage" and "degorgement".

Hand-crafted in a uniquely styled fluted bottle that epitomises elegance, quality and nobility, this magnificent Cap Classique encapsulates grace and exceptional character. It is alluring with rich complexity and a slight green tint that teems with light, lively bubbles on the palate. Nuances of fresh fruit, almonds, and freshly baked bread delight the senses.

The art of blending wines from so many different years gives Krug Grande Cuvée its unique fullness of flavours and aromas, impossible to express with the wines of just a single year.

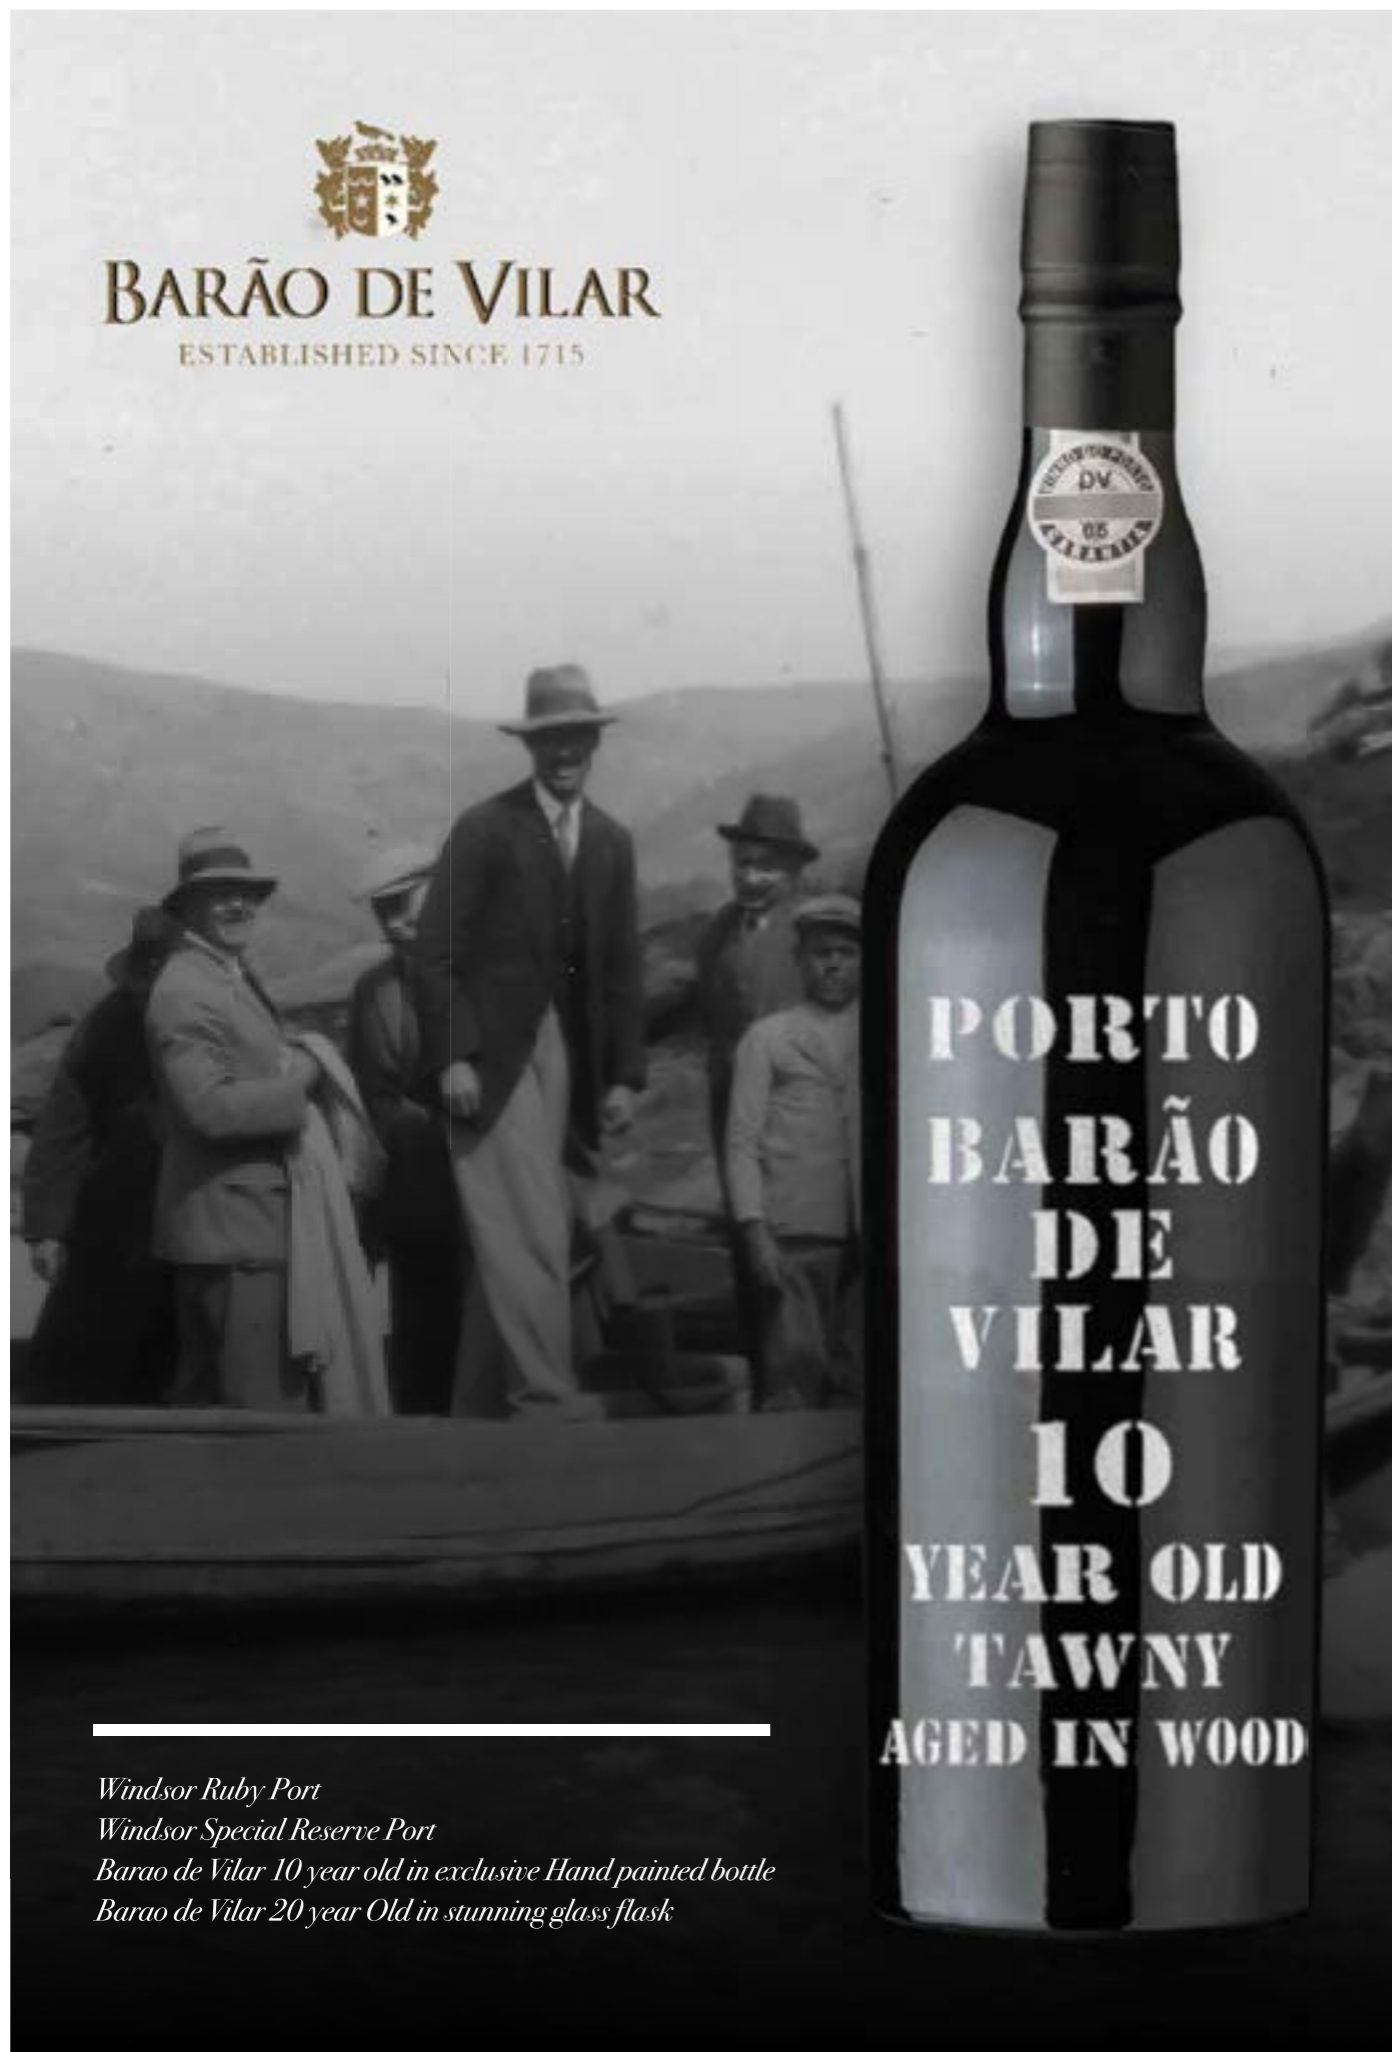

The Édition number identifies a specific creation of Krug Grande Cuvée. It corresponds to the number of years in the House of Krug the founder's dream has been re-created. The full story of every Édition is revealed online via its Krug iD, the six digits on the back label. Krug Grande Cuvée, like all Krug Champagnes, will continue to gain with the passage of time. **FOOD & WINE PAIRING INSPIRATION:** Krug Grande Cuvée 169ème Édition lends itself to a wealth of culinary combinations, from the simplest to the most sophisticated, from an aged parmesan to turbot à la truffe.
